# Merry Christmas From Lone Prairie Camp

Thank you for taking a look at Lone Prairie Camp's first Christmas Catalog! The ministry at LPC is able to continue because of the ongoing support of individuals and families like you. As we near the end of our fiscal year and your tax year, we would like to ask you to prayerfully consider financially supporting Lone Prairie Camp.

In this catalog, you will find various projects we would like to tackle next year to maintain and improve our programs and facilities—Perhaps you will find a gift idea!

Instructions to make a general donation or a donation towards a specific item are included on the last page.

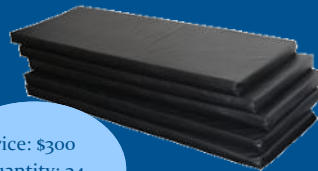

Thank you for your ongoing partnership – together we are impacting lives for eternity.
