Alberta Distance Learning Centre and Lone Prairie Camp are excited to partner once again to offer Physical Education 10- 3 credit to interested CLTs. Successful completion of the course will require First Aid training (available during the LPC Staff Training week) and logging a total of 50 activity hours in 4 separate dimensions of the PE curriculum: alternative environments, gymnastics/flexibility development, games and individual activities. Each dimension also requires either a short essay (6 paragraphs), a PowerPoint or a collage/poster. Please note that although students are able to accumulate some hours during their first two CLT weeks, the bulk of their hours will likely be logged in subsequent weeks at a rate of roughly 20 hours/week.

There is an \$84 deposit required from students. Upon successful completion of the course, this amount will be refunded to the student and their family. There is also a non-refundable \$37 course materials fee. These fees are payable upon registration to ADLC. Lone Prairie Camp also charges a \$20 administration fee which can be paid as part of the CLT application. Please note that this comes to a total of \$57 non-refundable fees which is comparable to what other PE 10 summer school programs generally cost (eg. Edmonton's Harry Ainlay High School charged \$60 in 2011).

To enroll in this course, please complete the attached registration form and fax or submit to the ADLC offices with payment by June 1. Once registered in the course, the Physical Education lead teacher, Kristy Ruaben will email the forms package directly to you. Forms 1,2 and 5 need to be completed and submitted back to Kristy Ruaben by fax or email by June 8th. Forms 3 and 4 are specific to the activities that the students will participate in at camp and will be completed onsite and signed off by a camp representative. All course work is due to ADLC by Oct 10, 2012.

If you have already registered for PE 10 this coming fall, you will need to clarify your situation with your High School since every school works a bit differently. The Lead Teacher for the distributed learning PE 10 course at ADLC, Kristy Ruaben, would be happy to speak with school administrators if needed.

Alberta Distance Learning also offers other correspondence courses (such as CALM), so take a look at the ADLC website (www.adlc.ca) if you are interested in taking something other than PE 10.

If you have any questions, please contact Lone Prairie Camp at registrar@loneprairiecamp.com and/or Kristy Ruaben at kruaben@adlc.ca or 1-866-774-5333 ext 6312.

I, the undersigned, acknowledge that I have read the above information. I give my permission for Lone Prairie Camp (LPC) to supervise my child's participation in this course while they are at camp and give LPC's representatives signing authority for forms 3 & 4.
